**Young Thunderbirds
Football Program
Sponsor**

The Young Thunderbird Football Program is a local, youth football program supporting players from kindergarten through 8th grade (7th/8th grade flag football offering only). Currently, our program is serving 128 flag football players and 155 tackle football players. We are seeking sponsors to help fund program costs. The Young Thunderbirds Football Program does not turn away players who do not have the ability to pay. We believe that all youth in the Topeka-area should have the opportunity to play football! Sponsors help cover the costs of players league fees, equipment, coaching education, and other various program needs. Thank you in advance for your support!
